

Ebenezer Fuachie

Junior Software Engineer | Backend -Focus

Accra, Ghana • +233 548253251 • fuachiee717@gmail.com

LinkedIn: www.linkedin.com/in/fuachie-ebenezer • Portfolio: <https://efuachie.vercel.app/>

Professional Summary

Junior Software Engineer with a strong focus on backend development using Python. Skilled in building real-world applications, collaborating in technical teams, and solving problems with clarity and precision. Passionate about clean code, scalable systems, and continuous learning. Seeking internship and entry-level software development opportunities.

Experience

IT Manager Intern - S.D.A. Hospital, Kofikrom

June 2024 – August 2024

- Provided technical support for hospital staff, ensuring smooth operation of IT systems.
- Maintained local networks, troubleshoot software/hardware issues, and improved digital record processes.
- Assisted in configuring systems and supporting the hospital's operational workflow.

Projects

Tradia-Wholesale Management System (Desktop App)

Python, PyQt6, SQLite

- Built an inventory and billing management desktop app with secure login and role separation.
- Designed a clean UI and implemented optimized CRUD operations.
- Shipped first public release, open to community feedback.

Rise Edu Consult WebApp (Team Mystique)

Node.js, Express, MongoDB, GitHub, Trello

- Contributed to backend architecture, user authentication, and role-based access.
- Collaborated using Agile/Scrum and version control best practices.

Personal Portfolio Website

Next.js, Vercel

- Designed and deployed a responsive personal website showcasing projects and skills.

Technical Skills
