## Professional Summary

Passionate and detail-oriented **Junior Software Engineer** with a strong foundation in **backend development using Python**. Experienced in collaborating on real-world projects, leading development teams, and solving technical challenges with creativity and precision. Eager to contribute to a **Company/Team** that values clean code, collaboration, and continuous learning while building robust, scalable, and user-focused backend systems.

## Education

**University of Ghana – Bachelor of Science in Information Technology**

*Expected Graduation: 2027*

*Relevant Courses:* Programming Fundamentals, Data Structures and Algorithm, Database Fundamentals, Software Engineering

## Technical Skills

**Proficient In:**

*Python, Java, C++ (Basics), SQL, MySQL, SQLite, Git, GitHub, Trello, Figma*

**Familiar / Learning:**

*Django, Flask, PyQt6, PostgreSQL, MongoDB Atlas, Docker, RESTful APIs, Authentication (JWT, bcrypt), CI/CD*

**Concepts & Practices:**

*Object-Oriented Programming (OOP), Agile/Scrum Methodology, Software Design & Collaboration*

## Projects

### Tradia-Wholesale Management System (Desktop App)

- Built a Python-based inventory and billing management system for wholesalers.
- Integrated secure login with admin/user role separation.
- Designed an intuitive UI using PyQt6 and optimized database CRUD operations.

### Rise Edu Consult WebApp (Team Mystique)

- Collaborated with a team to design and partially implement a web application for an educational consultancy.

- Contributed to the backend architecture, **user authentication**, and **role-based access control**.
- Applied **Agile/Scrum** principles using GitHub and Trello for version control and project coordination.

### **Personal Portfolio Website**

- Designed and developed a responsive portfolio website to showcase projects, skills, and resume.
- Built using **Next.js** with static pages for optimal performance and deployment on **Vercel**.
- Focused on clean design, accessibility, and mobile responsiveness.

### **Professional & Soft Skills**

- Problem-solving mindset
- Strong communication and teamwork
- Initiative and adaptability
- Independent learner and proactive collaborator

### **Languages**

English (Fluent)
